**ADDITIONS**

On 12/23/2011 (76 FR 80346), 1/6/2012 (77 FR 780) and 2/3/2012 (77 FR 5495-5496), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

**Regulatory Flexibility Act Certification**

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will provide the services to the Government.
2. The action will result in authorizing small entities to provide the services to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 USC 8501-8506) in connection with the services proposed for

A comment was received from a consulting firm noting that if this project goes out for a full food service contract, then it would fall under the Randolph-Sheppard Act Program.

The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) operates pursuant to statutory and regulatory requirements. The Committee is aware of and complies with Section 856 of Public Law 108-375. In this instance, the requirement is for dining facility attendant – not a full food service contract. Accordingly, this project is within the authority of the Committee to consider for the AbilityOne Program Procurement List.
